UpLift helps you spread your trip into 12 affordable payments to make your travel dreams a reality. When you book with **Funjet Vacations, United Vacations, Southwest Vacations or Blue Sky Tours**, your agent can provide UpLift's Pay Monthly payment plan option, based on the date you purchased your vacation.

You'll get the best interest rate based on your credit score. No hidden fees. No worries. Your monthly payments are automatically processed and details are sent to you with a convenient email and text.

Apply for your loan in just minutes. After a quick “soft” credit check is performed to verify your financial eligibility and identity, you’ll get an instant confirmation with no impact on your credit score. **Ask your travel agent to get you started!**

Applying Uplift’s Pay Monthly Payment Option:

1. After confirming your reservation with your travel agent, inform your agent that you would like to use the UpLift Pay Monthly Payment Plan option.
2. You will receive a payment request from your travel agent via email.

Note

The payment link will only be active for 24 hours from the time the email is delivered from your agent. If no payment is received before the link expires, you will need to request another payment request from your travel agent.

3. When you click on the *payment link* within the body of the email, a reservation retrieval page will open. For added security purposes, you will be required to enter the reservation number, lead passenger’s last name, departure date, and CAPTCHA code, then click *Submit*.
